# Repetitive Payout Processing is here!

rPay.net is a standalone, full policy administration system supporting Immediate Annuities and other Repetitive Payout Products. We provide complete throughput processing including: Benefit Quotes, New Business, Commissions, Accounting, Check and Tax Processing, Death Claims, Valuation and Reporting.

rPay.net is a completely redesigned web-based application using Microsoft .NET, SQL Server and Crystal Reporting technologies. We utilize both NAVA / ACORD standards and provide industry wide interfaces via NSCC and PPfA.

rPay.net offers comprehensive, table driven functionality that allows for quick product introduction that other out-dated annuity systems simply cannot provide.

For more information on rPay.net, please contact OAS at 800-546-2990 ext 100.
